## IMPROVED ROADWAY PLAN

## SCHEDULE

	Estimated Status*	Cost Estimate*
<b>Design</b>	Phase II (approx. 60%)	\$1.6 M*
<b>Right-of-Way Acquisition</b>	2015	\$3.5 M
<b>Begin Construction</b>	2017	\$5.4 M**

\* Please note that cost estimates and schedule may change as the project progresses.

\*\* Cost estimates include funding for Construction, Engineering, and Inspection.

## PUBLIC MEETING

The purpose of this meeting is to give interested people the opportunity to view the proposed design. The meeting will be an informal meeting. There will be a 3-D visualization of the proposed improvements that will run continuously during the meeting along with display boards of the roadway improvements. There will be no formal presentation and participants are welcome to attend anytime between 5:00 p.m. and 7:00 p.m. Department staff will be available to discuss the project, receive public input and to answer your questions.

## PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) is preparing design plans for the improvements along US 41 from 10th Street to 14th Street in Sarasota, Florida. The project length is approximately 0.5 miles. The improvements will reconstruct the signalized intersections and replace them with roundabouts. The improvements proposed along US 41 include two-lane roundabouts at 10th Street and 14th Street, narrower travel lanes, bicycle lanes, pedestrian crossings, sidewalk improvements on both sides of the roadway, and a new bus bay adjacent to Centennial Park. Bus facility enhancements by others will include bus landing pads, bus shelters, bus benches, and bike racks. Implementing these improvements requires acquisition of small areas

of land from the Sarasota Lawn Bowling Club, Municipal Auditorium, Centennial Park, Pioneer Park, and Whitaker Gateway Park. Some of these improvements would take place within the Central Coconut Historic District. These improvements may differ slightly from the Project Development and Environment (PD&E) conceptual design based on more detailed survey information gathered during the design phase.

As part of the design process and in accordance with Section 4(f) of the Department of Transportation Act of 1966, FDOT is seeking comments from the public concerning the effects of the project on the activities, features and attributes of the recreational resources.

### NOTICE OF PUBLIC MEETING

**Date:**  
Tuesday,  
July 8, 2014

**Time:**  
5:00 p.m. - 7:00 p.m.

**Location:**  
Van Wezel Performing Arts Center  
The Grand Foyer  
777 N. Tamiami Trail  
Sarasota, Florida 34236

### FOR INFORMATION PLEASE CONTACT
